

The Social Planning Council of Sudbury has recruited several community partners who have endorsed the Community Strategy for Poverty Reduction

Like our partners at 25/5 (www.25in5.ca)
we believe in a poverty free Ontario....
It has to begin with a plan.....

**Please Join us for Breakfast on October 30
7:30 - 9:00 a.m.**

Howard Johnson Hotel 50 Brady Street

Guest Speakers

Brian Gatien - Chair, Chamber of Commerce

Reducing Poverty makes Economic Sense

Dr. Penny Sutcliffe - Sudbury & District Health Unit

Reducing Poverty is key to Improving Health Outcomes

Laurie McGauley - Myths and Mirrors

Reducing Poverty is good for the Environment

Reducing poverty makes economic sense, contributes to better health and social outcomes and is important to our environment.

The Ontario Government has promised a plan. It is important to make sure that the plan is robust and successful.

Many community partners have endorsed the Community Strategy for Poverty Reduction. Please join us for breakfast to learn what it would take to reduce poverty by 25% in 5 years in Ontario and why the...
